ESCAPE TO RAMSGATE

Set in Kent, the Garden of England, the Ramsgate coast is just over an hour from London, but it feels a world away. With the only Royal Harbour in the UK, and a wonderful array of independent shops, attractions and places to eat and drink, you will want to come back time and again.

Stay in one of the quaint, sea-side B&Bs or modern boutique hotels, feast on award-winning fish and chips along the waterfront, or sample local seafood in one of the speciality fish restaurants before heading out and about and exploring the wonderful coastline and nature that Ramsgate has to offer.

Walk or cycle along coastal trails before having a warming hot chocolate or chilled wine in one of the many café bars in the Royal Harbour Arches.

Or take to the sea by kayak or on a boat trip and look in awe at seals and birdlife before returning to warm the cockles in a welcoming, local pub.

And if it's raining, then there are plenty of historical attractions to discover. Explore the underground tunnels, or Maritime Museum or one of the local art galleries. Visit www.visitramsgate.co.uk for ideas when planning your next escape to the Ramsgate coast!

You can't visit Ramsgate without coming into contact with the sea. There's a whole raft (sorry!) of ways to get active in the water, so you'll have a hard time choosing what to do!

Ramsgate has a range of sea kayaking trails for you to try, a Royal Harbour to set sail from, and boat trips to check out some spectacular bays, the local wildlife, seals and one of the largest offshore windfarms in the world.

It's also a kitesurfer's paradise and fast becoming one of the top kitesurfing destinations in the country. Paddle boarding here is a must too. With over 2,000 shipwrecks it's also a big draw for scuba divers. So come and get active by the shore!

If you'd rather keep your feet on some beautifully maintained terra firma, why not try out pickleball or play a few games of tennis or golf at Stonelees or St. Augustine's golf centres; two highly respected clubs that are famous for the warmth of their welcome and quality of their courses.

Land Lubbers will also enjoy the prolific birdlife and our four themed walking trails taking in sandy beaches and bays, Regency architecture, Royal connections, seals and birds and an array of Kentish cafés and bars along the way. Or why not take to a bike and cycle the Pier to Pier or Viking Coastal Trail.

You could even try your hand at geocaching and find hidden treasure 'caches'. Or try out our triathlon taster experiences.
