A BIT OF LOCAL HISTORY

the Origins of Rammy the Raven

Ramsgate has had many different versions of its name over the centuries and is thought to derive from the Anglo-Saxon 'Hraefn's Geat,' which is widely translated to mean 'Raven's Cliff Gap'.

In 2024, to celebrate the end of our Heritage Action Zone projects, we decided to honour the ravens and their link to Ramsgate and Rammy the Raven was born!

From the late 1940s, a ram jumping over a gate was used to promote Ramsgate. The character Rammy Raven is a nod to the Ram and to the original Anglo Saxon name for Ramsgate!
