PROGRAMME

RAMSGATE AUTUMN FESTIVAL

WELCOME

OCTOBER 23 - NOVEMBER 1 2026

Welcome to the first Ramsgate Autumn Festival.

Proudly presented by Ramsgate Town Council, this new ten-day festival brings together more than 80 events celebrating Ramsgate's heritage, Gothic architecture, literary connections and creative spirit.

Created with local businesses, artists, organisations and community groups, the programme combines specially curated and commissioned events with exhibitions, performances, workshops, walks, talks, music and more.

Explore the town's darker side at Ramsgate Tunnels, where Gerald Dickens, great-great-grandson of Charles Dickens, performs *The Signalman*. Hear *The Little Biter*, a BBC Radio 4 Uncanny episode inspired by a local haunting; discover Ramsgate's Gothic architecture and smuggling history. Make sure you visit The Wooden Box Gallery, the former school of a teenage Mary Shelley, for the DARKNESS exhibition and thought-provoking workshops, where visitors can also help create our community Raven.

The community-created Raven will lead *The Raven's Flight*, our lantern parade around St George's Church – a closing finale I'm really looking forward to.

Look out for Dark Deals from participating businesses, including 13% discounts, £13 treats and other suitably spooky offers. After all, 13 is lucky for some!

I hope you enjoy discovering a different side to Ramsgate this autumn and making the most of everything the festival has to offer.

Rebekah Smith, Town Centre and Tourism Manager, RTC.
